Re: JURISDICTIONAL DETERMINATION
Environmental Review - EDA and DCA/NEP Programs
DLUR File Number: 0119-15-0002.1
DLUR Activity Number: CDT150001
Grant Application ID Number: NCR40440
Applicant: City of Pleasantville
Location: Main Street from Ansley Boulevard to US Route 40/322
City of Pleasantville, Atlantic County

Dear Ms. Williams:

This letter is in response to an application submitted by the above referenced applicant for funding under the Economic Development Authority's Neighborhood & Community Revitalization (NCR), Small Business Loans (SBL) Programs, the Department of Community Affairs's Neighborhood Enhancement Program (NEP), and/or the Reconstruction, Rehabilitation, Elevation and Mitigation (RREM) Program. This jurisdictional determination is for a proposed streetscape improvement project located along Main Street from Ansley Boulevard to US Route 40/322 within the CAFRA zone of the City of Pleasantville, a qualifying municipality. The project includes curb replacement, decorative sidewalks, landscaping, lighting, street furniture, bike racks, trash and recycling containers and signage. Potentially applicable statutes include Waterfront Development Act (N.J.S.A. 12:5-3 et seq.), Wetlands Act of 1970 (N.J.S.A. 13:9A-1 et seq.), Coastal Area Facility Review Act, CAFRA, (N.J.S.A. 13:9-1 et seq.), Flood Hazard Area Control Act (N.J.S.A. 58:16A et seq.) and Freshwater Wetlands Protection Act (N.J.S.A. 13:9B et seq.).

Based on a review of the information submitted and a review of information as maintained on the Department's Geographic Information System, the following determination is made:

Based on a review of the Coastal Permit Program Rules, the following determination is made:

- ☒ **A Waterfront Development permit is not required.**
- ☐ **A Waterfront Development Permit will be required because:**
 - ☐ Work will be performed at or below (outshore) the Mean High Water Line.
 - ☐ Work will be performed within 100/500 feet of the MHWL outside the coastal area.

Based on a review of the Coastal Permit Program Rules, the following determination is made:

- ☐ **A CAFRA permit is required.**
- ☒ **A CAFRA permit is not required.** The proposed project is not regulated per N.J.A.C. 7:7-2.1.

Based on a review of the Coastal Wetlands Maps, the following determination is made:

- () **Coastal Wetlands permit is required.** Coastal Wetlands are mapped on this site. Activity is proposed at or below the Upper Wetlands Boundary.
- (x) **Coastal Wetlands permit is not required.** Based on a review of the Coastal Wetlands Maps it is determined that there are not mapped wetlands on the site.
- () **Coastal Wetlands permit is not required.** Coastal Wetlands are mapped on this site. However, no activity is proposed at or below the Upper Wetlands Boundary.

Based on the information provided to the Division, it does not appear that the proposed project will impact freshwater wetlands and associated transition areas regulated under the Freshwater Wetlands Protection Act Rules at N.J.A.C. 7:7A. Therefore, a permit is not required.

In addition, this project will not take place within a floodplain pursuant to the Flood Hazard Area Control Act rules at N.J.A.C. 7:13-1.1. Therefore, a permit is not required.

The project may be presumed to be consistent with the New Jersey Coastal Zone Management Program and a Water Quality Certificate is authorized.

This letter does not relieve the applicant of the responsibility of obtaining any other required State, Federal or local permits or approvals as required by law and is based on the information submitted in accordance with existing regulation. This determination shall be considered null and void if the submitted information is incorrect, site conditions or regulations change.

Please contact Jessica Cobb by e-mail at Jessica.Cobb@dep.nj.gov or (609) 633-2289 should you have any questions regarding this letter. Be sure to indicate the Department's file number in all communication.

Sincerely,

A handwritten signature in blue ink, appearing to read 'RJA', is positioned above the printed name of the signatory.

Ryan J. Anderson, Supervisor
Division of Land Use Regulation
